

Ecd. 3:15 That which hath
been is now; and God
requirerth that which
is past.

Intro. — Many inclined to be
thoughtful at times. James-
looking backward & forward.

Text —

I States biblically the law
of Cause & Effect,
of Sequence
of Consequence.
What we are now is the
product or outcome of
what we have been in the
past.

And what we are going
to be is determined by
what we are now.
Do you take a glossy view
of life?
Are you faithful & imitable?

II. The law of correspondence
brings about various
results. "That which
a man soweth shall he
also reap."

1. Sow weed reap whirlwind
Evil produces evil
2. Good produces good,
3. Failure produces failure
Neglect produces poverty,
Disease produces atrophy.

Many are not the
strong Xns they had hoped
to be. Because they neglected
the Xn activities that
produce spiritual power.

Stopt. reading & studying Bible
Neglected prayer.
Let other things interfere
with regular meditation
Ceased to attend Ch. regularly
Refused to do church work

III. Our text not only teaches that all things work together, but implies that all reality is one.

This is a universe and we are part of its oneness. Jesus said, "I and my Father are One".

In Jesus, the man, was Christ, the living God,

Rev. Pollard's life-message based upon the realization of our oneness with God, as ~~not~~ indicated in the oneness of Christ with the Father.

But, you say, that is alright with X, but how can these

3) things be for us?
How can my spirit
be the spirit of God? How
can my mind & heart
& soul become the mind
& heart of soul of God?

1st - Bible teaches that
God created us in his
own image to live
godly lives - to live
like He lives,

2nd - Jesus X teaches us
that we become godlike
thru the realization of
our oneness with God,
"My Father in me & in
you",

4) 34 Our sense of oneness
with God can be cultivated
until it becomes effort,
a - How does a man become
an effort along any
particular line?

Seminar title - "The Prince
of Peace & the Price of Peace."

Jesus paid the price of
a Prince of Peace.

~~He~~ Thomas Edison
paid the price of an inventor
Shakespeare paid the price
of a dramatist & poet,
Beethoven paid the price

And in order to become
as one with God we
must pay the price.

You can't develop honesty
by living like a crack

5) You can't become godlike
by living a selfish,
worldly life.

Dedication to godlikeness
alone can bring to us
a true realization of
our oneness with God.

What price have you
paid for your godlikeness?

What sacrifice have
you made in order
to possess God more fully?

~~Don't~~ Don't fool yourself
with the thought that Jesus
paid it all & ∴ there is
nothing more for you to do.
Don't kid yourself with
the thought that Salvation is free
& there is ∴ no price for you to pay.

6). One of the curses of business today is the attempt of business houses to give ~~and~~ ^{something} for nothing & induce of the hungry public to get something for nothing.

The great weakness of present-day City is the misconception of it that it ~~is~~ has no price.

You have no right to conclude that there is nothing in City when you have put nothing into it yourself.
